## How To Measure Your Kitchen or Bath For New Cabinets

Accurate measurements of your kitchen or bath is important in designing your new cabinets. Please follow the steps listed in this kitchen and bath planner and give the information to your Cabinet Select product specialist.

### Floor Plan

You will need to carefully configure the exact dimensions of your room.

Your completed floor plan should resemble the diagram below. Be sure to show exact locations of doors, windows, hood vents, exhaust, gas lines, water line, drain line, outlets, switches, light fixtures, and heat vents.

**NOTE: ALWAYS DOUBLE CHECK MEASUREMENTS.**
